

BUSINESS PARTNER CLASS REGISTRATION QUICK START GUIDE

Business Partners are all non-PennDOT personnel, both public and private sector. This guide will show you how to register for a class using PennDOT’s Technical Training Calendar.

ACCESS THE TECHNICAL TRAINING CALENDAR

Enter https://www.dotdom1.state.pa.us/ecms/ecms_training_calendar.nsf in the address bar of your browser.

The Training Calendar default HOME PAGE appears.

 *Before you register for a class, it is suggested that you create a Personal Profile.*

WHAT IS A PERSONAL PROFILE?

A Training Calendar Personal Profile:

- Stores your personal information so that registration forms are automatically completed for you
- Tracks current and past class registrations for a single user ID, including payment information
- Tracks class wait list requests
- Captures your interest in specific training classes, and allows you to receive email notifications of upcoming offerings
- Allows you to create a log of miscellaneous training events you attend that are not offered on the Training Calendar

Anyone with a PennDOT Internet Account (user ID and password) can create a Personal Profile. A PennDOT Internet Account is established for business partners that use PennDOT software applications.

HOW DO I GET A PENNDOT INTERNET ACCOUNT?

A PennDOT Internet Account is established for business partners that use PennDOT software applications.

Contact your company/agency security administrator to create an account for you with access to the “Training Calendar User” category. (Note: All established PennDOT business partners

have a security administrator. If your company/agency is *not* an established PennDOT business partner, follow [these instructions](#) to apply.)

PennDOT Internet Account specifics...

- All questions related to your PennDOT Internet Account should be directed to your company/agency security administrator.
- After 30 minutes of inactivity on the computer, signed-in users will be automatically signed off.
- Passwords expire every 60 days.
- To keep your account active, you must sign in at least once every six months. PennDOT reserves the right to delete accounts that have been inactive for six months or longer.
